Supporting those who need our help

Profit from this event will be split between Veterans Aid and PTSD Resolution

PTSD Resolution is a UK Registered charity that provides free therapeutic support to Veterans, TA and Reservists who are struggling to reintegrate into a normal work and family life as a result of events during their service in the armed forces. Treatment is also available to service families suffering secondary traumatic stress.

Regardless of length of service in either the Royal Navy, Royal Marines, Army, RAF or Merchant Service, **Veterans Aid** exists to help those in crisis, homeless or likely to become homeless.
