Terms and Conditions of booking

Attendance is entirely free of charge but cancellation charges will apply if you cancel within 1 month of the event (regardless of the date of booking) and you or your company do not provide a suitable replacement. The cancellation charge is £750 + VAT or if you cancel within 24 hours of the event this will increase to £1000 + VAT. These sums are preestimates of the losses we suffer when a delegate cancels and a suitable replacement is not available. Our exhibitors pay for their stands and representation in the expectation of promoting their services and products to buyers/persons with responsibility for purchasing recommendations/decisions. Therefore charges will apply as follows: If it becomes apparent that you do not have purchasing/specifying responsibilities, or that you are attending the event to market or sell your/your company's services or products, you will be charged the cost equivalent to exhibiting, if you do not keep to the itinerary planned and agreed for you, or if you leave the event early without good reason, you will be charged £500 + VAT (being a pre-estimate of our losses). This is a legally binding contract.
